

COMPANY PROFILE

ABOUT US

Aquastar General Transportation L.L.C- S.P.C is a premier transportation and logistics company headquartered in Abu Dhabi, United Arab Emirates. Since our inception, we have been providing comprehensive transportation solutions tailored to meet the dynamic demands of industries across the region. With a fleet of modern vehicles, cutting-edge machinery, and a team of seasoned professionals, we handle everything from heavy equipment transport to specialized cargo movement – ensuring every delivery arrives safely, on time, and within budget.

"We don't just move cargo – we move businesses forward. Our commitment to excellence, safety, and customer satisfaction is what sets us apart in the UAE's transportation landscape."

Our Mission

To provide reliable, efficient, and safe transportation services that exceed our clients' expectations. We are committed to delivering value through innovation, integrity, and operational excellence across every mile.

Our Vision

To become the most trusted and preferred general transportation company in the UAE, recognized for our unwavering commitment to quality, safety standards, and sustainable growth in the logistics industry.

Our Values

Integrity in every interaction. Safety as our priority. Excellence in execution. Customer satisfaction as our measure of success. Teamwork and respect as the foundation of our corporate culture.

OUR SERVICES

End-to-end logistics and freight solutions designed to move your cargo safely and efficiently across the globe.

AIR FREIGHT

When time is critical, our air freight services deliver customer product. We partner with leading airlines to offer express, standard, and charter options. From documents to heavy cargo, we ensure your shipments reach their destination swiftly and safely across every major global hub.

OCEAN FREIGHT

We offer comprehensive ocean freight services including Full Container Load (FCL) and Less than Container Load (LCL) shipments. Our extensive network of carrier partnerships ensures competitive rates, flexible scheduling, and dependable transit times to major ports worldwide.

LAND FREIGHT

Our extensive road freight network covers the UAE, GCC, and wider Middle East region and Globe. We offer Full Truck Load (FTL) and Less than Truck Load (LTL) services with GPS-tracked fleets ensuring your cargo arrives on time, every time.

CUSTOMS CLEARANCE

Navigate complex customs regulations with ease. Our licensed customs brokers handle all documentation, tariff classification, duty calculations and regulatory compliance — ensuring your goods clear customs swiftly without delays at every major port and border.

ADNOC CICPA VEHICLES

As a CICPA-approved contractor partner with ADNOC, we are authorized to operate within Abu Dhabi's critical industrial zones and oil & gas facilities. Our team holds all required approved partners of CICPA passes and certifications, ensuring full compliance with ADNOC's strict HSE regulations. We provide seamless transportation, drivers, and equipment services within restricted ADNOC operational areas.

MACHINERY & EQUIPMENT

We provide a comprehensive range of heavy equipment and machinery for construction, industrial, and oil & gas projects across the UAE. From cranes and excavators to specialized lifting equipment, our well-maintained fleet is operated by certified partner with professionals to ensure maximum safety and productivity on every job site.
